Citizens' Bond Oversight Committee 2017-18 Annual Report

Compton Community College District Citizens' Bond Oversight Committee Annual Report – Introduction

As outlined in Education Code Section 15278, the role of the Compton Community College District (CCCD) Citizens' Bond Oversight Committee is to "inform the public concerning the District's expenditure of revenues received from the sale of bonds authorized by the voters." No District employee or official, vendor, contractor, or consultant may serve on the committee.
